RESOLUTION #5

Whereas, the Arizona Public Health Association wishes to express their appreciation and thanks to the Surgeon General of the U.S.P.H.S., for assigning Dr. F.W. Kartz and Miss Anne Hiesler to address this 11th. Annual Meeting and be it resolved that this Association give an unanimous vote as an expression of their gratitude.

RESOLUTION #6

Whereas, the State of Arizona Maternal mortality rate is among the highest in the country; and  
Whereas, there are now five clinics organized and operated for the purpose of giving contraceptive information in the State of Arizona; and  
Whereas, the best results in the practice of contraception occur where medical examination and advice are followed,

RESOLVED, That the Arizona State Public Health Association go on record as recommending that all such clinics be operated under proper medical supervision.

RESOLUTION COMMITTEE:

George W. Marx, Chairman  
Chester Deaver  
Dr. Boris Zemsky
