

Whereas, ~~the Special Services Section of~~ the Arizona Public Health Association in Conference assembled in Mesa, Arizona, on this 17th day of May 1951, to discuss Public Health and National Defense, and

Whereas, the Civil Defense Program of Arizona cannot be organized until sufficient funds are made available for its operation after July 1, 1951, and

Whereas, the Civil Defense program is dependent upon the State Legislature for funds.

Now, Therefore Be It Resolved that:

1. If a Special Session of the State Legislature is called for the consideration of other matters, the appropriation of funds for the activation of Civil Defense be included in that call, or
2. In the event other matters do not make a special session necessary, a special session be called for the purpose of appropriating funds for the activation of the State Civil Defense Program.
