ARIZONA PUBLIC HEALTH ASSOCIATION

41st Annual Meeting - Tucson, Arizona - October 6,7,8, 1971

RESOLUTION #3 - CONCERNING FAMILY PLANNING (BIRTH CONTROL) INFORMATION AND SERVICES

WHEREAS, the Arizona Public Health Association endorses the concept that health care is a right of all people, and

WHEREAS, there are influences within our society that seek to limit this right in specific areas, particularly in Family Planning (Birth Control) Information and Services,

BE IT RESOLVED THAT the members of the Arizona Public Health Association reaffirm that Family Planning (Birth Control) is a component of health, and such information and services be available to all individuals regardless of location, economics or age.

*To same areas as abortions. (and Reports?)*
