

RESOLUTION PROPOSED BY THE ARIZONA PUBLIC HEALTH ASSOCIATION

WHEREAS Auto Pollution is a major health hazard to the increasing population of Arizona Residents of all ages

WHEREAS Auto Pollution, especially hazardous to Arizona residents with chronic respiratory and circulatory system disease if unchecked, will only become a more serious problem.

BE IT  
RESOLVED that the Arizona Public Health Association strongly supports the Arizona Vehicle Inspection Program as modified by the 1976 Arizona State Legislature.

BE IT  
RESOLVED that the Arizona Public Health Association strongly urges its members to vote NO on Proposition 300 on November 2, 1976.

Submitted  
Arizona Public Health Association  
46th Annual Meeting  
1 October 1976
