

ARIZONA PUBLIC HEALTH ASSOCIATION
RESOLUTION

WHEREAS, Arizona State legislation passed in 1976 mandated that beginning in the 1977-78 school year, children on first entering elementary school must present a record of immunization prior to enrollment; and

WHEREAS, the County Health Departments were designated instruments in providing these immunization services; and

WHEREAS, to date no additional monies have been allocated to fund these increased services

THEREFORE, BE IT RESOLVED THAT the Nursing Section of the Arizona Public Health Association requests that the Director of the Arizona Department of Health Services include in the Department's appropriations budget sufficient funds to carry out the counties' responsibilities in providing immunizations as directed by A.R.S. 26-629.

The resolution was tabled by the membership of the Arizona Public Health Association on the 30th day of September, 1977, in Flagstaff, Arizona.
