

RESOLUTION

Prioritized List of Health Concerns

The Arizona Public Health Association recognizes that there are many health concerns throughout the State of Arizona; and

Whereas these concerns may develop within the county, and/or at the State level; and

Whereas these concerns may affect a portion of the population or the general population as a whole; and

Whereas each health problem within the State draws attention within the Association; and

Whereas these concerns may have been in existence for many years or be of recent origin; therefore

Be it resolved, that the Arizona Public Health Association, on a yearly basis, will address itself to prioritizing a list of health concerns within the State; and

Be it further resolved that a copy of this list, with or without recommendations for specific action, be sent to the Governor, the Legislature and the Director of the Department of Health Services.
