

THE ARIZONA PUBLIC HEALTH ASSOCIATION

RESOLUTION

- WHEREAS: The Arizona State Sanitarians Registration Council is contemplating requiring Continuing Education Credits for the renewal of Arizona registration for all Sanitarians practicing in the State of Arizona,
- WHEREAS: The Arizona State Sanitarians Registration Council may approve Environmental Health related conferences and seminars provided by an agency such as AzPHA when applied for by that agency, and
- WHEREAS: The AzPHA should be able to assist Registered Sanitarians in obtaining continuing education credits for renewal of registering,
- THEREFORE: BE IT RESOLVED, that the Arizona Public Health Association apply to the Arizona Sanitarians' Registration Council for approval of any Environmental Health related seminars or lectures presented at Arizona Public Health Association meetings and/or seminars for valid continuing education credits for Sanitarians that attend.

APPROVED: Pat Zurek 9/29/83
Executive Secretary
